

Objectives of Elizabeth Finn Care

Elizabeth Finn Care helps British or Irish people in need whose former careers have been interrupted or ended through physical or mental problems, loss of work or family breakdown or those struggling on an inadequate income in retirement. No account is taken of religious denomination, political opinion, age or place of residence. We can help the person who applies to us and members of their immediate family.

Help now. Hope for the future

Elizabeth Finn Care gives weekly grants to help with day-to-day living expenses and can also help with the cost of emergency repairs and replacements such as a leaking roof or broken boiler or fridge. We can contribute to the cost of much needed specialist disability aids and we can offer help with fees in care homes.

People whose current or former area of employment, qualification or background is listed below are eligible to apply for assistance from us on their own behalf and/or on behalf of a partner or son or daughter:
