Once your complaint has been fully dealt with by Elizabeth Finn Homes Limited if you are not satisfied with the outcome you can refer your complaint to the **Local Government Ombudsman (LGO)** and ask for it to be reviewed. The LGO provides a free, independent service:

The LGO team can be contacted for information and advice or to register a complaint:

Telephone: 0330 061 0614

The LGO will not usually investigate a complaint until the provider has had an opportunity to respond and resolve matters.

Our service is registered with and regulated by the Care Quality Commission (CQC). The CQC cannot get involved in individual complaints about providers, but is happy to receive information about services at any time. You can contact the CQC at:

COMPLIMENTS AND COMPLAINTS POLICY

STATEMENT

We hope that your stay with us will be a long and very happy one and we will do everything possible to ensure that your wishes are met.

To receive acknowledgement that services are meeting residents' requirements assists in the smooth operation of the Home and acts as a morale booster for staff.

We know that despite all of our efforts that there may be occasions when you feel your concerns should be heard or a complaint should be made. Should this be the case our aims are to:

- Listen carefully to the concerns or complaint in a private and confidential manner.
- Investigate the concern/complaint fully, objectively and quickly.
- Allow the person voicing the concern or making the complaint to be advised in a formal manner of the results of the investigation.

PROCEDURE

If you or any of your relations/visitors have cause for concern, or a complaint about your care or accommodation, we would like you to inform us in the following way:

1. Firstly approach any member of staff who you feel could respond and help to rectify the problem. In most cases they will be able to provide you with an immediate verbal response and your complaint will be recorded using a verbal complaints form.
2. Alternatively, if you wish to discuss your concerns with the General Manager they will always be pleased to do so.
3. If you would prefer to make a formal written complaint, please address this in the first instance to the General Manager. Complaint forms are available at the Home.

STAGE 1: LOCAL RESOLUTION

That person will note your concerns/complaint on a form and register the complaint on the Complaints Register. It will be acknowledged verbally and in writing within 7 working days of its receipt. Your concerns/complaint will then be investigated.

The General Manager should then send you a full written response within 28 working days from receipt of the complaint. Should the investigation be ongoing the General Manager will write to you explaining the reason for the delay. A full response should be received within 7 days of the General Manager reaching a conclusion.

Occasionally, investigations may take longer particularly if the complaint is complex. Should this be the case a holding letter should be sent every 20 working days pending a conclusion being reached.

The General Manager may ring you to talk to you about the complaint or may offer to meet you in order to resolve the complaint. This may involve using mediation (a third party). Should the complaint be about the General Manager or you are unhappy with the response you have received then you may refer the complaint to the Chief Executive of Elizabeth Finn Homes.

If the complaint has not been resolved to your satisfaction, the complaint should be referred to the LGO using the contact details above.
